Important Information Regarding Image Usage

Disclaimer

Use of Public Domain Images: All images used on this website that are A.I. generated by the publisher or identified as public domain through Creative Commons and are believed to be free for use without restriction under copyright law. However, the use of public domain images is subject to certain limitations and conditions which users must be aware of.

Accuracy and Verification

While we make every effort to ensure that the images identified as public domain are indeed free from copyright restrictions, we cannot guarantee their accuracy or the completeness of the information regarding their status. Users should conduct their own due diligence and verification to confirm the public domain status of any image before using it for their own purposes.

Attribution

Although public domain images do not legally require attribution, we encourage users to provide credit to the original creators or sources whenever possible. This practice not only respects the work of the original authors but also helps others to find the original source material.

Third-Party Rights

It is important to note that some public domain images may include depictions of identifiable individuals, trademarks, or other elements that could be subject to privacy, publicity, or trademark laws. Users are responsible for ensuring that their use of such images does not infringe on any third-party rights.

Limitation of Liability

We disclaim any liability for any damages or losses caused by the use of public domain images from this website. Users assume full responsibility for their use of these images, including any claims or disputes that may arise from such use.

Content Removal

If you believe that an image on this website is not in the public domain or infringes on your rights, please contact us immediately. We will promptly investigate and, if necessary, remove the image in question from our website.

By using this website and the public domain images provided herein, you agree to comply with this disclaimer and the associated terms and conditions.
